

Title: Campus Safety and Support at Falmouth University

(0:00) Hi, I'm Kate. I work with the safety and

(0:02) support team on campus.

(0:05) The safety and support team are here on

(0:07) campus to ensure all your needs are met.

(0:09) We are initial responders for first aid,

(0:11) welfare, as well as any security

(0:13) concerns you might have.

(0:15) Our team is made up of a wide range of

(0:17) people from diverse backgrounds from

(0:19) military to educators as well as

(0:21) highprofile celebrity close protection.

(0:24) You can spot us on campus in our blue

(0:26) uniforms and high vis jackets and we're

(0:28) perfectly accessible and we'll be happy

(0:29) to talk to you. The kinds of things we

(0:31) could deal with are quite wide ranging.

(0:33) It could be a first aid situation.

(0:36) Somebody has cut their finger. Someone

(0:37) might be having a panic attack. Someone

(0:40) might be concerned about someone on

(0:41) campus they want some assistance with as

(0:43) well as through the night we might deal

(0:45) with some welfare issues for staff and

(0:47) students. Or it could be something as

(0:49) simple as you're locked out of a room as
(0:51) any time during the day or night and you
(0:53) need our assistance to get in. If you
(0:55) need to contact the safety and support
(0:56) team, the quickest and easiest way to
(0:58) reach us is by using the safe zone app.
(1:01) You can use it to raise an alert in an
(1:02) emergency, either first aid or some kind
(1:05) of security response. The benefit of
(1:07) safe zone is it also shares your
(1:09) location with us so the team know
(1:11) immediately where you are and we can
(1:13) head and find you. You can also use the
(1:15) check-in function if you're working
(1:17) alone on campus and want the safety and
(1:19) support team to know that you're here.
(1:21) Our emergency line is 01326254
(1:26) and you will get an immediate response
(1:28) on that number. We are in the Glasny
(1:31) Lodge which is adjacent to the
(1:33) residences and we're there 24 hours a
(1:35) day, 7 days a week. In an emergency,
(1:37) please dial 999. I would say for the
(1:40) team, their favorite thing about dealing
(1:42) with safety and support is dealing with
(1:44) different students and different issues

(1:46) over the day. So, it could be anything
(1:47) that we're coming into and no shift is
(1:49) the same. Please don't be concerned
(1:51) about contacting us. We're a friendly
(1:53) team and we're happy to help and make
(1:54) you feel safe on campus. If there's
(1:56) anything you're concerned about, please
(1:57) do let us know. Don't worry, please
(2:00) report it.
